UPBRINGING

After graduating high school, I joined the Argentinos Junior football team, a professional soccer team in Argentina. After returning home, while earning a leader license of the Japan Football Association, I went to the world of radio personality, then as a sports announcer and as a game live and stadium DJ.

CAREER HISTORY

In October 2006, an event planning and management company "SPOSiC JAPAN" was established. "SPOSiC JAPAN" is a company combining sports and music.

In October 2008, the cafe dining & bar "sposic cafe do" was opened, followed by the opening of "TOKYO RAMEN", which combines cafe and ramen.

In 2016, I started a mobile cafe "DOMINGO COFFEE 10" and is currently operating in Ishigaki Island, Okinawa Prefecture.

In 2017, fully renovated a second-hand property (3F) and used it as a home and office.
